Writing

Tim felt angry as he got off the train. He came to new city alone. He was angry at people who didn't believe in him. He went to his goal - go to university of his dreams. He has studied for the exam for months. Tim wanted to go Harvard. But his family didn't believe it. Everyone said - "You didn't go to Harvard!" But he continued to study. Tim felt angry, because nobody didn't believe in him. Nobody!

He stopped and thought "No, it isn't true. I believe in myself! I will go to university! I will prove who is Tim Brown!"
